

Baked Garlicky Zucchini with Tomatoes

My husband has never been a zucchini fan, that is, until he sampled my garlicky zucchini with tomatoes. He even served himself seconds!

Ingredients

6 garlic cloves thinly sliced
2 tablespoons olive oil
1-14.5 ounce cans tomatoes with juice
Unrefined sea salt & pepper to your taste
2 to 3 zucchinis cut into 4 chunky pieces

Directions

Preheat oven to 350°. Mix garlic, olive oil, tomatoes, salt and pepper together in glass baking dish. Add zucchini chunks into sauce. Bake uncovered in preheated oven for 1 hour. Serve as a side, over brown rice, with quinoa or tossed with multigrain pasta.
